ChatGPT Local Business Prompt Pack

Simple prompts for real businesses in real communities

Why This Prompt Pack Exists

When you run a small business, the hardest part of marketing is often not knowing what to say. This guide gives you starting points so you are not doing everything from scratch.

Why Local Language Matters

People searching online often look for businesses close to them. Using your town name and service helps customers recognize you as local and trustworthy.

How to Use This Pack

- Pick a prompt that fits your situation
- Paste it into ChatGPT
- Add your town, service, or details
- Read it and make it sound like you

I Don't Know What to Post

Prompt:

> Give me 3 friendly social media post ideas for a small local business. Keep the tone simple and human.

People Don't Understand What I Do

Prompt:

> Help me explain what my business does in one clear paragraph. Pretend I'm explaining it to a neighbor.

Business Is Slow

Prompt:

> Help me write a calm, friendly post reminding people what my business does and who it's for.

I Want More Local Customers

Prompt:

> Write a short description of my services using my town and surrounding area. Keep it natural, not spammy.

Customer Messages

Prompt:

Help me write a polite, respectful response to this customer message.

Promotions Without Pressure

Prompt:

Help me write a friendly post sharing an update or promotion. Keep it honest and low pressure.

Final Thought

You do not need fancy marketing. You need clear words, used consistently. This prompt pack helps you find those words.
